MESSAGE FROM THE PRINCIPAL

Dear Parents,

Christmas is a time for giving. As you may be aware one of our school wide learner goals is to be active and responsible citizens. Our community has a responsibility to help those in need and there would be fewer more deserving than our local orphanage. I want to thank you for the generosity our school community has shown in collecting food for the Orphanage. We have collected over 2,500Kgs of rice, other food items, books and toys.

A lot of families will be travelling over the Christmas period. We would like to wish you a safe journey and I hope you get to enjoy quality time with your children.

Our Christmas Fair was a big success and I would like to thank Mr Will and Ms Lilit for their great work in organizing a successful event. Special mention needs to go to Ms Hau who assisted with the organizing and did an amazing job with the decorations. Well done to all the parents and students for supporting this event and raising funds.

We have some upcoming exams after the holidays. I would like to remind students to please be mindful of their study commitments and put the necessary work in for them to be successful.

Finally, I wanted to add that our school is growing. We now have an enrolment of over 300 students. We are at a stage where we would like to extend our school beyond IGCSE 2. We are looking at providing the Global Assessment Certificate (GAC) and or possibly the Cambridge A levels as a program to prepare our students for University or further studies. We are hopeful if we get sufficient numbers this could commence in the 2019-2020 school year, if not then 2020-2021. It is our hope that students can start and finish their schooling at Singapore International School, Binh Duong.

Take Care

Christopher Bradley
