## Message from the Principal

Dear Parents/Guardians,

We had many exciting events in March including Math Day, Sports Day, and most importantly: World Water Day. World Water Day is an international annual event held on March 22nd. Once again, SIS@BDNC participated in a *Water Awareness and Action Campaign*. Teachers student-leaders encouraged students and their families to take action in saving water, protecting waterways (rivers, streams and oceans) and celebrating this wonderful resource. Your children learned that small steps such as using reusable water bottles, turning off the tap while washing dishes, and not littering, can have a big impact on the environment and help to support the cause! Thank you for your support, we look forward to hearing about the unique ways your family participated in raising awareness and taking action!

Sincerely,

MaryKay Gudkova  
Principal

## Sports Day 2017-18

This year's Sports Day will run from **8:45am - 3:30pm** this Friday March 30<sup>th</sup>. It will take place **here at school**. Years 1 - 10 (Integrated and International) are invited to participate.
